SUPPLEMENTAL FILING — Elder Financial Exploitation of Stamatina Kyprianos Age 79 Roseville Michigan This supplements a consumer complaint faxed to the AG Consumer Protection Division on January 31 2026 regarding H&R Block Tax Pro Review errors on Form 1116 Foreign Tax Credit for tax years 2021 through 2024. That complaint documented an impossible negative 830000 dollar foreign income figure on Form 1116 and Greek foreign taxes overstated by approximately 500 percent and a misplaced 10000 dollar amount triggering IRS Notice CP25 and a written admission of error by H&R Block preparer Michael Weissgerber who wrote on January 17 2026 quote i dont like making mistakes end quote. This supplemental filing brings to your attention the full scope of the scheme which constitutes elder financial exploitation of a 79 year old Michigan resident. MICHIGAN NEXUS Victim is Stamatina Kyprianos age 79 residing in Roseville Macomb County Michigan. Tax preparer H&R Block operates in Michigan and prepared false US federal returns for a Michigan taxpayer. 24016 dollars in inflated foreign tax credits were filed through H&R Block preparers across multiple tax years. IRS Criminal Investigation Special Agent Clinton Zacheranik operates out of the Detroit Field Office same jurisdiction as the AG with Case 26236541 and referral F3949A477FDA6F. Senator Elissa Slotkin office casework reference IMA00176193 with IRS liaison inquiry filed March 19 2026 by caseworker Angel Hague. AAA Arbitration Case 01-26-000-12493 already filed against H&R Block. THE BROADER SCHEME The victim's late husband John Kyprianos a US Navy veteran died June 13 2021 in Michigan. His Greek tax number AFM 051422558 remained active for 4.75 years after death. During that period over 945000 euros in transactions occurred under his identity and false US foreign tax credits were generated and property records in Greece were manipulated. This is not an isolated tax preparation error. It is a coordinated cross border fraud involving identity theft of a deceased US veteran that directly victimized a 79 year old Michigan widow. ACTIVE INVESTIGATIONS IRS CI Detroit Field Office SA Zacheranik Case 26236541. FBI IC3 complaints 1 through 4. EPPO European Public Prosecutor Office PP00179 and PP00267 and PP00281 and PP00310. OLAF EU Anti Fraud Office FNS-25098. AADE DESYP Greek tax authority 4 active protocols G 87848 and 171062 and 206737 and 221577. Senator Slotkin office IMA00176193. Over 330 documented protocols across 20 plus Greek administrative agencies. TREATY DIMENSION Both the 1950 US Greece Income Tax Convention Articles XVIII and XIX covering exchange of information and mutual assistance against fiscal evasion and the 1950 US Greece Estate Tax Convention are directly triggered. IRS CI authority to press Greek tax authorities flows in part from Article XVIII. STRUCTURAL OBSTRUCTION The US Embassy Athens Consular Section issued an official note April 2023 confirming that the United States does not issue Family Status Certificates. Greek agencies continue to demand this impossible document from Stamatina as a condition for processing her heir registration creating a structural wall blocking a Michigan resident from accessing her lawful inheritance. REQUESTS 1 Open a formal elder financial exploitation review under FEPA and the AG Elder Financial Crimes Unit mandate. 2 Evaluate the H&R Block conduct not as an isolated consumer complaint but as part of a coordinated cross border fraud scheme. 3 Coordinate with IRS CI Detroit Field Office SA Clinton Zacheranik Case 26236541. 4 Communicate as appropriate with Senator Slotkin office IMA00176193. 5 Pursue Michigan jurisdiction accountability against H&R Block for the 24016 dollars in false foreign tax credit filings and their refusal to honor their 100 percent Accuracy Guarantee and their role in a scheme that exploited a vulnerable elder. This is Day 1740. I respectfully request acknowledgment and assignment to the Elder Financial Crimes Unit.
